CODE OF ETHICS

Accredited members of the Motor Industry Workshop Association (MIWA), agree to adhere to its Code of Ethics.

Responsibility

- Responsible and accountable to apply business resources maximising sustainable returns.
- Be a responsible citizen and committed to conduct business achieving the desired results.

Safety, health and the environment

- Exercising obligations with due care, diligence and required skill.

Honesty

- Unquestionably reject all forms of dishonesty.
- Avoid and declare conflicts of interest.
- Truthful and honest in all dealings, disclosures and reporting.

Fairness

- Treat others as we would like to be treated in similar circumstances.
- Base business decisions on policy, strategy, facts and analysis.

Respect

- Respect human rights and dignity.
- Treat all people with respect.

Integrity and compliance

- Promote good will between all parties concerned.
- Comply with all relevant legislation, regulations and related industry standards.
